Options and accessories

75 cm cone	75 cm traffic cone, 38 × 38 cm base · 6 kg
Custom-printed belt (indoor)	Your logo or message sublimation-printed, water-based ink, proof before production · for indoor use: the standard outdoor belt cannot be customised

Features

- One-Way™ braking system: slows the belt as it retracts without braking it as it is pulled out.
- Steel spring from the automotive industry (seat belts), tested up to 200,000 retractions (ISO 9001).
- Lock button: the belt stays taut in any position.
- Safety button on the belt end to prevent accidental release.
- Colour moulded into the material: no paint, no chipping, no rust.
- CE marked · designed and made in the European Union.
- The cone is not included: add the 75 cm cone option if needed.

Materials

Head in recycled glass-fibre-reinforced PA · no paint · water-based sublimation ink · packaging in 90% recycled cardboard · made in Europe.
